How to obtain a CEU certificate

If you're looking for a CE certificate from a previous event, please be advised that certificates are typically issued within 3-4 weeks following the conclusion of the event. Please review and follow the instructions below based on your credential: DC, CNS, BCHN, ACBN, or California Acupuncture.

You should have received an email from Northeast College of Health Sciences (NCHS) containing a link to access your transcript. If you're unable to locate this email, please follow the steps outlined below:

1. Visit: NCHS Student Portal at **https://ce.northeastcollege.edu/students**
2. Click Forgot Password under the sign-in fields.
3. Enter the email you used to register for the event.
4. Check the box that says, "I'm not a robot," and then click Reset Password.
5. You will receive an email with a link to create a new password. Follow the instructions and log in using the link in Step 1.
